ONGC/HZR/ES/CIVIL/KV School Structural Report/2021

Date:-20.05.2021

To,
Principal,
Kendriya Vidhyalaya (No. 3),
ONGC Nagar Phase-1,
Viagdaila,
Surat-394518

Subject: - Structural Stability report of KV school building

Respected Sir,

With respect to the recently conducted structural stability study of ONGC townships buildings, the agency M/s B.J. Mehta Architectural & Structural Consultants Pvt. Ltd. has submitted its report of Kendriya Vidhyalaya building.

As per the report submitted by the agency based on the NDT (Non-Destructive Tests) readings, the KV school building appears to be fit to use, however, it may require major structural repair and renovation works in future.

This letter is being issued on request of Principal, Kendriya Vidhyalaya.
